

Foreman / Lead Carpenter / Carpenter

Steffes Construction Inc. has been providing high-end remodeling services in the King Country area for over 40 years. We are committed to high-quality, timely work, and great customer service. Our projects range from Bathroom, Kitchen or Bedroom Suites to Whole House Remodels.

We are seeking an experienced residential construction Foreman for jobs in the greater Seattle-Bellevue area. As Foreman, you will be responsible for the successful, timely, and and completion of assigned remodeling construction projects based on the final drawings, specifications, budget & schedule. You will also be expected to work hands-on at each site alongside the crew & owner under direction of the Project Manager. It is possible and expected to be able to work on more than 1 job site at a time to help.

We are seeking an experience residential construction Lead Carpenter / Carpenter, & a laborer to add to our team.

Position Requirements

- Ability to read & understand site plans or documents to perform all necessary work.
- Thoroughly understand & regularly review all aspects of the project's scope, details, and job site condition as they change.
- Be aware & assist in managing the necessary tools & materials needed for a job site's success. Loading & Unloading construction materials.
- Knowledgeable or experienced in all phases of residential remodeling and construction procedures. The following work commonly happens on our sites by subs or by the Project Manager/Owner/Team (Demo, Framing, Siding, Trim/Millwork, Window/Door Install, Painting, Tile Work, Cabinets, etc)
- Extensive rough carpentry experience, including layout knowledge of foundations, rafters, and stairs.
- Extensive finish carpentry experience, including trim, cabinetry installation, and interior finishes.
- Good working knowledge of all related building trades.
- Assist with set-up & maintenance of site logistics (protections as needed, fans, door jam covers, plastic, etc.) & general housekeeping within & around the project site.
- Perform any other assigned duties as required for your job site or help other job sites as needed.

Leadership

- Represent Steffes Construction Inc. as the on-site client liaison and advocate, resolving issues as they arise and communicating regularly with the Project Manager
- Motivated self-starter, detail-oriented, highly organized, with a positive, can-do attitude.
- Overall responsibility for the day-to-day management of assigned remodeling and construction projects, including sub-trades and crew members.
- Manage and oversee the work of other team members, assigning tasks with timelines and clear expectations; oversee results.
- Collaborate & Communicate regularly with the Project Manager to ensure a thorough understanding of the scope of the project as it evolves.

Requirements

- Must provide own set of general tools (ie power tools, hand tools, tape measure, speed square, utility knife, etc.)** We Provide Maintenance or Personal Tools**
- Valid Drivers License
- Must have a clean, reliable Truck or Van
- Strong attention to detail and the ability to resolve complex problems
- Ability to work independently as well as be a team player
- Strong time management and organizational skills

Benefits: Health Insurance, Paid Holidays off (Thanksgiving, Christmas, New Years, and 4th of July)
